TCI has acquired a New Ship to enhance its capacity in the West coast of India

Gurgaon 20th Mar 2018: TCI Seaways, a division of Transport Corporation of India Limited, announces capacity addition and business expansion of its domestic coastal shipping business through acquisition of another vessel in the West coast of India.

TCI Seaways already has an existing capacity of 5 ships with a DWT of @ 37360. 3 ships are deployed on the eastern coast and 2 ships on the west coast.

The new ship with a DWT 26262 can hold 766 containers (TEUs & FEUs). Each container with a carrying capacity of 30 tonnes will be plying in the West -South coast corridor.

The total investment made in the acquisition of the new ship is approx. Rs.48.80 Crs. The financing for this new ship has done through internal accruals and loan from banks.

With this new induction, TCI Seaways will now operate 6 coastal ships covering the West, East and South coastal ports of India with a total DWT of 63622 and a fleet of 5500 containers. This acquisition is in line with the company's strategy to provide integrated multi modal logistics services to its customers.

About Group TCI: Group TCI, with revenues of over Rs. 3,200 Cr, is India's leading integrated supply chain and logistics solutions provider. TCI group with expertise developed over 6 decades has an extensive network of company owned offices, 11.5 mn. Sq. ft. of Warehousing space and a strong team of trained employees. With its customer-centric approach, world class resources, State-of-Art technology and professional management, the group follows strong corporate governance and is committed to value creation for its stakeholders and social responsibilities. TCI was the first to launch several solutions in the logistics field. Its product offering includes:

TCI Freight: India's leading surface transport entity. This division is fully equipped to provide total transport solutions for cargo of any dimension or product segment. It transports cargo on FTL (Full truck load)/ LTL (Less than truck load)/ Small packages and consignments/ Over Dimensional cargo.

TCI Supply Chain Solutions: TCI SCS is a single window enabler of integrated supply chain solutions right from conceptualization and designing the logistics network to actual implementation. The core service offerings are Supply Chain Consultancy, Inbound Logistics, Warehousing / Distribution Centre Management & Outbound Logistics.
