PAT	29.7	28.2	5.3%	РАТ	34.4	29.7	15.8%

Commenting on the results, **Mr. Vineet Agarwal**, **Managing Director TCI** stated, "The Indian economy has witnessed a comparatively weaker environment and sluggish demand almost in all sectors in for the last six months. Despite very challenging circumstances, we have been able to keep up our performance owning to constant focus on growing our value added businesses. In the forthcoming quarters, factors such as stable crude oil prices & moderate inflation with growth driven policy initiatives by newly elected government will help in demand recovery. The company will continue to manage our business through driving operational efficiencies and maintaining consistent and responsible growth.

About Group TCI: Group TCI, with revenues of over Rs. 4,300 Cr, is India's leading integrated supply chain and logistics solutions provider.
