Infracom releases KEYone in India

September 2017. KEYone will be the first BlackBerry-branded device manufactured by Optimus under the licensing agreement signed in February. The phone has several India-specific features and specs such as dual-SIM, and is styled differently from the global version. The phone will be available from August 8, exclusively on Amazon India. "The Limited Edition has been named so not because it is to be available in limited quantity, but because it's limited to India," said Hardip Singh, Executive Director, Optimus.
