Instruments with [ICRA]A1+ rating are considered to have very strong degree of safety regarding timely payment of financial obligations. Such instruments carry lowest credit risk.

The Rating(s) are specific to the terms and conditions of the CP Programme as indicated to us by you, and any change in the terms or size of the same would require a review of the Rating(s) by us. In case there is any change in the terms and conditions or the size of the rated CP Programme, the same must be brought to our notice before the CP Programme is used by you. In the event such changes occur after the Rating(s) have been assigned by us and their use has been confirmed by you, the Rating(s) would be subject to our review, following which there could be a change in the Rating(s) previously assigned. Notwithstanding the foregoing, any change in the over-all limit of the CP Programme from that specified in the first paragraph of this letter would constitute an enhancement that would not be covered by or under the said Rating Agreement.

The Rating(s) assigned must be understood solely as an opinion and should not be treated, or cause to be treated, as recommendation to buy, sell, or hold the rated CP Programme availed/issued by your company.
