## INDEPENDENT AUDITOR'S REPORT

To The Members of **TCI-CONCOR MULTIMODAL SOLUTIONS PRIVATE LIMITED**

### Report on the Audit of Standalone Financial Statements

#### Opinion

We have audited the accompanying standalone financial statements of TCI-CONCOR MULTIMODAL SOLUTIONS PRIVATE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
Revenue recognition and measurement including related cost of rendering of services involve critical judgments by management including assessment of when the control of goods or services	Our audit approach include but were not limited to the following: <ul style="list-style-type: none"><li>• Testing the design and operating effectiveness of the internal controls associated with contracts with customers</li><li>• Testing the information technology systems related to consignment notes, trip data and billing</li><li>• Analyzing contracts with customers/vendors from selected samples</li></ul>

are being transferred, identifying large variety of complex performance obligations and determining if such obligations are satisfied over a period of time.

Refer Note No. 14 to financial statements

- Analyzing invoices with customers/vendors from selected samples
- Reviewing the logic designed in preparation of consignment notes, bill registers and the time taken for concluding the performance obligation
- Testing of the approval mechanism, access and change controls associated with the tariff/rate masters
- Reviewing the report of Internal Auditors
- Performance of analytical procedures for reasonableness of the estimates

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, Company has not paid any remuneration to its Directors for the Financial Year 2021-22.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :
  - i. The Company does not have any pending litigations which would impact its financial position
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.

(b) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **Annexure-A to the Independent Auditor's Report**

(Referred to in paragraph 1(f) under "Report on Other Legal and Regulatory Requirements" section of our report to the members of TCI-CONCOR MULTIMODAL SOLUTIONS PRIVATE LIMITED of even date)

### **Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act").**

We have audited the Internal Financial Controls over Financial Reporting of **TCI-CONCOR MULTIMODAL SOLUTIONS PRIVATE LIMITED** ("the Company") as of March, 31<sup>st</sup> 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the criteria of internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **Annexure-B to the Independent Auditor's Report**

**(Referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" section of our report to the members of TCI-CONCOR MULTIMODAL SOLUTIONS PRIVATE LIMITED of even date)**

- (i) In respect of the company's fixed assets:
    - (a) (i) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant and Equipment.
    - (ii) The Company does not have intangible assets.
    - (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of one year. In accordance with this programme, all the fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
    - (c) The Company does not have immovable property.
    - (d) As per information and explanations given to us, the Company has not revalued its Property Plant and Equipment (including Right of Use assets) or not having any intangible assets during the year.
    - (e) According to the information and explanations given to us Company does not hold any Benami property under the "Benami Transactions (Prohibition) Act, 1988 and Rules made thereunder.
  - (ii) (a) The Company is a service providing Company; primarily rendering Multimodal Logistics services. Accordingly, it does not hold any physical inventories. Thus, paragraph 3(ii) of the Order is not applicable.
  - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, it has availed working capital limits in excess of Rs. 5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets; The quarterly returns or statements which was filed by the company with banks or financial institutions are as per the books of the company.
  - (iii) The Company has not made investments, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to Companies, Firm, Limited Liability Partnership or any other parties covered in the register maintained under section 189 of the Companies Act, 2013(hereinafter called the Act).
- Accordingly, Para 3(iii) (a), (b), (c), (d), (e) and (f) of the Order is not applicable to the Company.
- (iv) As per information and explanations given to us and on the basis of records examined by us, the Company has not given any loan or made any investment or given any guarantee or provided any security in connection with a loan to any other body corporate or person within the meaning of Section 185 and 186 of the Act and hence, Para 3(iv) of the Order is not applicable.
  - (v) The Company has not accepted any deposits from the public.
  - (vi) The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company.
  - (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including provident fund, employee state insurance, income tax, sales tax, service tax, goods and service tax, duty of customs, value added tax, cess and other statutory dues have been regularly deposited during the year by

the Company with the appropriate authorities and no statutory dues were in arrear as at March 31, 2022 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no material dues of income tax, sales tax, service tax, goods and service tax, value added tax and duty of customs which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) As per information and explanations given to us, the Company does not have any transaction which was not recorded in the books of accounts and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) The Company has not made any default in repayment of loans or borrowings or payment of interest thereon taken from the banks and lenders  
No borrowing was made from the financial institution, Government or debenture holders.
- Accordingly, Para 3(ix) (a), (b), (c), (d), (e) and (f) of the Order is not applicable to the Company.
- (x) (a) As per information and explanations given to us, the Company has applied the term loans for the purposes for which those are raised. Company has not raised moneys by way of initial public offer or further public offer (including debt instruments).
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- (xi) (a) In our opinion and according to the information and explanations given to us, no fraud has been noticed or reported during the financial year, which has been done by the company or on the company by its officers or employees.
- Accordingly, Para 3(xi) (a), (b) and (c) of the Order is not applicable to the Company.
- (xii) The Company is not a Nidhi Company and hence Para 3 (xii) (a), (b), and (c) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Section 177 and 188 of Companies Act, 2013 and all the details of such transactions have been disclosed in Financial Statements as required by the applicable accounting standards.
- (xiv) (a) The company has an Internal Audit System commensurate with the size and nature of its business.
- (b) The Reports of the Internal Auditors for the Financial Year 2021-22 were considered by us.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with them. Thus, Para 3(xv) of the Order is not applicable.
- (xvi) (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- Accordingly, Para 3(xvi) (a), (b), (c) and (d) of the Order is not applicable to the Company
- (xvii) According to the information and explanations given to us and based on our examination of the records of the Company has not incurred any cash losses in Financial Year 2021-22 and in the preceding Financial Year 2020-21.
- (xviii) There has not been any resignation of the Statutory Auditors during the year.
- (xix) On review of financial ratios, ageing and other records including futures planning of the company, there is no material uncertainty exists as on date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

(xx) (a) According to the information and explanations given to us and based on our examination of the records. The Company was not dealing in any project which was undertaken for CSR activity and therefore transferred of unspent amount to a fund specified in Schedule VII to the Companies Act within a period of six month of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.

(b) There is no unspent amount under sub-section-5 of the section 135 of the Company Act. For details refer note no. 20.14 of the financial statements.

(xxi) This is not a holding company, hence this clause is not applicable.

**TCI-CONCOR MULTIMODAL SOLUTIONS PRIVATE LIMITED**  
**STATEMENT OF CHANGES IN EQUITY AS AT MAR 31, 2022**

**8 (b). Other Equity**

Particulars	Reserves and Surplus		Items of other comprehensive income	Total
	General reserve	Retained earnings	Actuarial Gain / (Loss)	
Balance at April 1, 2021	(5,82,046)	10,66,63,159	-	10,60,81,113
Balance at April 1, 2021	(5,82,046)	10,66,63,159	-	10,60,81,113
Balance at April 1, 2021	(5,82,046)	10,66,63,159	-	10,60,81,113
Profit for the year	-	5,60,66,889	-	5,60,66,889
Other comprehensive income for the year, net of income tax	-	-	-	-
Total comprehensive income for the year	(5,82,046)	16,27,30,048	-	16,21,48,002
Dividend paid during the year	-	(1,05,00,000)	-	(1,05,00,000)
Balance at Mar 31, 2022	(5,82,046)	15,22,30,048	-	15,16,48,002

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. There is no policy of regular transfer. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

The Company declared final dividend of Rs. 1.50 (PY Rs. 1.50) per equity share during the year

**NOTE: 1 ACCOMPANING NOTES TO THE FINANCIAL STATEMENTS**

**A. COMPANY OVERVIEW**

The Company is a subsidiary of Transport Corporation of India Ltd (TCI) in joint venture with Container Corporation of India Ltd (CONCOR). The principal business of the Company is to provide Integrated Logistics Services. CONCOR has appointed the company as its business Associate. Besides, it provides incidental services to its customers viz. over viewing loading and unloading of cargo at train terminals, warehousing for short period, co-coordinating road transporters and transportation both at originating station as well as destination. The amount charged to customers for these services has been accounted as "Logistics Income".

**B. SIGNIFICANT ACCOUNTING POLICIES**

**1) Basis of preparation of Financial Statements:**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements are approved by the Company's Board of Directors on April 20, 2022.

**2) Use of Estimates:**

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed at appropriate place. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**3) Recognition of Income and Expenditure:**

Income and expenditure generally are recognized on accrual basis in accordance with the applicable accounting standards and provision is made for all known losses and liabilities. Income is recognised when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Income is measured at the fair value of the consideration received/receivable net of rebate and taxes. The Company applies the revenue recognition criteria to each separately identifiable component as per guidance in Ind AS 18.

The Company derives its income from three principal sources: Rail Freight Services, Road Freight Services and other income.

**Rail Freight Services**

Rail Freight income and associated expenses are recognised using the percentage-of-completion method. Stage of completion is measured by reference to voyage days for each contract. Generally, the contracts are Fixed-price, thus the associated costs can be reliably measured.

*[Handwritten signature]*

*[Handwritten signature]*

**Road Freight Services**

Road Freight income and associated expenses are recognised using the percentage-of-completion method. Stage of completion is measured by reference to voyage days for each contract. Generally, the contracts are Fixed-price, thus the associated costs can be reliably measured.

**Others**

**Interest Income**

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable. For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR) method.

Effective 01 April 2019, the Company adopted Ind AS-115, "Revenue from Contracts with Customers". The company has evaluated the impact on the financial statements and amount was immaterial and insignificant.

**4) Borrowing Cost**

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalization of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption. All other borrowing costs are charged to the Statement of Profit and Loss as incurred.

**5) Property, plant and equipment**

**Recognition and initial measurement**

Property, plant and equipment are stated at their cost, less accumulated depreciation and impairment, if any. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

**Subsequent measurement (depreciation and useful lives)**

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

**De-recognition**

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or it transfers the said asset and the transfer qualifies for derecognition under Ind AS 109. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

*[Handwritten signature]*

*[Handwritten signature]*

**6) Intangible assets**

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Research costs are expensed as incurred. Software product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, future economic benefits are probable, the company has an intention and ability to complete and use or sell the software and the costs can be measured reliably. The costs which can be capitalized include the cost of material, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use. Research and development costs and software development costs incurred under contractual arrangements with customers are accounted as expenses in the Statement of Profit and Loss.

**7) Leased assets**

**Company as a lessee**

**Finance leases**

Finance leases, which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item, are capitalised at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly against income. Lease management fees, legal charges and other initial direct costs are capitalised.

If there is no reasonable certainty that the Company will obtain the ownership by the end of lease term, capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

**Operating leases**

Assets acquired on leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on straightline basis except where scheduled increase in rent compensate the lessor for expected inflationary costs.

**Company as a lessor**

**Finance leases**

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease income is recognised in the statement of profit and loss on a straight line basis over the lease term. Costs, including depreciation are recognised as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs etc. are recognised immediately in the statement of profit and loss. Contingent rents are recognised as revenue in the period in which they are earned.

**Operating leases**

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straight line basis over the lease term except where scheduled increase in rent compensates the Company with expected inflationary costs

*Handwritten signature*

*Handwritten signature*

**8) Impairment of non-financial assets**

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**9) Financial instruments**

**Financial assets**

**Initial recognition and measurement**

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

**Subsequent measurement**

i. **Financial assets at amortised cost** – the financial asset is subsequently measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

**Financial liabilities**

**Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified as amortised cost.

**Subsequent measurement**

These liabilities include borrowings and deposits. Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to this short maturity of these instruments.

**De-recognition of financial liabilities**

A financial liability is de-recognised when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

*[Handwritten signature]*

*[Handwritten signature]*

**10) Impairment of financial assets**

For all other financial assets, expected credit losses are measured at an amount equal to the 36 month ECL.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in Statement of Profit and Loss.

**11) Provision of Current and Deferred Tax:**

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred income taxes are not provided on the undistributed earnings of subsidiaries and branches where it is expected that the earnings of the subsidiary or branch will not be distributed in the foreseeable future. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**12) Earnings per Share (EPS)**

The earnings considered in ascertaining the company's EPS comprises the Net Profit or Loss for the period after tax and extra ordinary items. The basic EPS is computed on the basis of weighted average number of equity shares outstanding during the year. The number of shares for computation of diluted EPS comprises of weighted average number of equity shares considered for deriving basic EPS and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the year unless they are issued at a later date. The diluted potential equity shares are adjusted for the proceeds receivable assuming that the shares are actually issued at fair value. The number of shares and potentially dilutive shares are adjusted for shares splits/reverse splits (consolidation of shares) and bonus shares, as appropriate.

**13) Provisions, Contingent Liabilities and Contingent Assets:**

A provision is recognized when company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined based on best estimate of the expenditure required to settle the obligation at the Balance Sheet date. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes, forming part of the financial statement. Contingent assets are neither accounted for nor disclosed.

*Handwritten signature*

Contingent assets are not recognized. Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits to the entity. These are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate. A contingent asset, where an inflow of economic benefits is probable, shall be disclosed

#### 14) Post-employment, long term and short term employee benefits

##### Defined contribution plans

##### Provident Fund

Certain related entities of the Company make contribution to statutory provident fund trust setup in accordance with the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. In terms of the Guidance on Ind AS – 19, the provident fund trust set up is treated as a defined benefit plan since the Company has to meet the interest shortfall, if any. Accordingly, the contribution paid or payable and the interest shortfall, if any, is recognised as an expense in the period in which services are rendered by the employee.

##### Defined benefit plans

##### Gratuity

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the financial statement in respect of gratuity is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit/obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of Other Comprehensive Income (OCI) in the year in which such gains or losses are determined.

##### Compensated absences

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

##### Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

#### 15) Foreign Currency Transactions

##### Functional and presentation currency

The financial statements are presented in Indian Rupee ('INR') which is also the functional and presentation currency of the Company.

*[Handwritten signature]*

#### Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or any other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise. Revenue, expenses and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

#### Conversion

Functional and reporting currencies of overseas subsidiaries are different from the reporting currency of the Company. For all the foreign operations of the overseas subsidiaries, all assets and liabilities are translated into INR using the exchange rate prevailing at the reporting date and their statements of profit or loss are translated at exchange rates prevailing at the dates of the transactions. For practical reasons, the Company uses an average rate to translate income and expense items, if the average rate approximates the exchange rates at the dates of the transactions.

#### 16) Cash Flow Statement

Cash flows are reported using the Indirect Method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated
