Commenting on the performance, **Mr. Vineet Agarwal, Managing Director TCI** stated, "All the businesses have executed our strategy as planned which has resulted in increased growth in revenue and profitability.

In an environment which witnessed softening of economic indicators, sluggish demand and higher input costs in the last quarter of the year, we have managed to grow our revenue and gross margins. Investments in new customer segments, prudent cost control measures, technological initiatives have led to business growth and operational efficiencies.

With sustained investment in our people, technology and automation and other such initiatives we are confident of moving ahead our growth story."
