Transport Corporation of India Ltd. Standalone revenue grows by 7.8%: some green shoots seen

Hyderabad, 18th August, 2016: Transport Corporation of India Ltd., India's leading integrated supply chain and logistics solutions provider, today announced its financial results for the first quarter ended on 30th June 2016. The figures exclude demerged XPS undertaking and have been adjusted for Ind AS compliance. Pursuant to board decision to demerge its XPS division, the honourable High court of Telangana approved the Scheme on 14th June 2016 with appointed date as at close of business hours on 31st March 2016 and the same has been filed with Registrar of companies on 11th August 2016, being the effective date of the Scheme.

Commenting on results, **Mr. Vineet Agarwal, Managing Director**, said, "The first quarter showed improvements primarily due to increased demand for some consumption based industries and the auto sector. There's been addition of new clients for our value added segments like warehousing and 3PL services, E-commerce and chemicals. With improving economic parameters in current fiscal, the company is expected to register a double digit growth with similar improvement in bottom line this year."

Highlights of Q1 Results (FY 2016-17) Figures in Cr

Particular	Q-1 FY17	Q-1FY15	%Growth
Total Revenue	429.74	398.83	7.8%
EBDITA	40.16	35.94	11.7%
PAT	15.11	14.25	6.0%

With improving economic parameters in current fiscal, the company is expected to register a double digit growth with similar improvement in bottom line this year."

He further added that, "The expected implementation of GST will boost the demand for warehousing, 3PL solutions and multi modal services, areas where the company has a strong market presence. TCI Bangladesh Ltd. A 100% subsidiary, which started operations this quarter, will service clients who need end-to-end cross border logistics services as part of our growing presence in the SAARC economies."
