

Transport Corporation of India Ltd. announces Results for Q2 and H1/FY'23

Gurugram : India's leading integrated supply chain and logistics solutions provider, Transport Corporation of India Ltd., announced its financial results today for the Q2 and H1/FY'23. Commenting on the result, Mr. Vineet Agarwal, Managing Director TCI stated, "In Q2 & HY FY23, the company demonstrated consistent performance. Focus on core business fundamentals coupled with rising demand in the automobile and consumption sectors enabled all business segments to deliver satisfactory results despite inflationary pressure. The company remains uniquely positioned in tapping high growth segments through its extensive multi-modal network, customized service offerings, invest-

ments in right technology and automation.

Further, the launch of the National Logistics Policy along with earlier announced PM Gati Shakti framework would be instrumental for a push towards seamless multi-modal transportation and modern connectivity, increased digitization and standardization to make our country's logistics efficient and competitive. TCI continues to invest strongly on all these themes for strong growth over the years. About Group TCI: Group TCI, with revenues of over Rs. 5000 Cr is India leading integrated supply chain and logistics solutions provider. TCI group with expertise developed over 6 decades has an extensive network of company owned offices, 13 mn. sq. ft. of warehousing

space and a strong team of trained employees. With its customer-centric approach, world class resources, state-of-the-art technology and professional management, the group follows strong corporate governance and is committed to value creation for its stakeholders and social responsibilities. TCI was the first to launch several solutions in the logistics field. Its product offering includes:

TCI Freight: India's leading surface transport entity. This division is fully equipped to provide total transport solutions for cargo of any dimension or product segment.

It transports cargo on FTL (Full truck load)/ LTL (Less than truck load)/ Small packages and consignments/ Over Dimensional cargo. TCI

Seaways: TCI Seaways is well equipped with six ships in its fleet and caters to the coastal cargo requirements for transporting containers and bulk cargo. Being the pioneers in multi-modal coastal shipping and container cargo movement and transportation services, TCI Seaways connects India with its western, eastern, and southern ports.

TCI Supply Chain Solutions: TCI SCS is a single window enabler of integrated supply chain solutions right from conceptualization and designing the logistics network to actual implementation. The core service offerings are Supply Chain Consultancy, Inbound Logistics, Warehousing / Distribution Centre Management Outbound Logistics.
