
Delivered strong performance in Q3 FY2022 with PAT up by 94% and EBITDA up by 36% on y-o-y basis Announced 2nd Interim Dividend of Rs. 2/- per share and payout of 100% on the face value

Kolkata, January, 2022: Transport Corporation of India Ltd. ("TCI"), India's leading integrated supply chain and logistics solutions provider, today announced its financial results for the third quarter ending 31st December, 2021. Commenting on the results, Mr. Vineet Agarwal, Managing Director, TCI stated, "The third quarter and 9 months into the current financial year have been encouraging and in line with the positive business momentum

in the country. All service offerings have performed well both on top-line and bottom-line fronts. The festive season added to the growth despite constraints in the Automotive sector due to the ongoing semiconductor shortage. Multi-modal logistics continued to gain strides especially our Coastal Shipping business performing exceptionally. TCI remains invested in Multi-modal business as it has a direct bearing on reduction in GHG emissions lead-

ing to a positive ESG compliance for all our clients. We continue to witness an upward swing in demand for 3PL & Cold Supply Chain Solutions driven by technology enabled platform for fulfilment & customer service. The importance of logistics in corporate board rooms, government investments in infrastructure and Atmanirbar Bharat all augur well for a strong integrated multimodal logistics player like TCI.
